

“Keep it between us” said the Mayor to Frank McCann, the DPW Chief.

From Frank McCann’s grand jury testimony, we learned that Lenny came to know about “that God Damned Truck” and he did have a minor ministerial role relative to shipping it to New Jersey.

Lenny was misquoted. He has never used the Lord’s name in vain – other choice language yes, but never disparaging his God. He personifies his Catholic faith – piety, humility, mercy, honesty and justice for all.

When his counsel no longer swayed the mayor, he resigned..

From the outpouring of support evident today, it should be apparent –

Leonard Degnan is an honorable man who has never flinched from doing his best for his family, his friends and his community. We would like to welcome him home with open arms and gratitude for his grace and acknowledgement of his role in this tragedy.
